YOUR CONTRIBUTION

As a donor or volunteer your individual contribution is creating hope and possibility and you are part of a movement that is changing lives.

OUR STORY

We are committed to improving lives and building community by engaging individuals and mobilizing collective action. Working with over 10,700 donors, individually and through our 300 workplace campaigns, we come together in a "united way" to bring about positive change.

At United Way there is strength in numbers. Our red bench symbolizes stability and inclusiveness. There is room for all. We invite you to join us and take a seat.
