

HOW WE FUND

1. INVITE

United Way invites submissions for funding from registered charities based in the CRD that provide services in one or more of our three priority areas.

2. REVIEW

United Way reviews submissions based upon past grant performance, proposed impact goals that fit within our priority areas, and the financial stability of the organization.

3. EXPERTS

Review panels of subject matter experts and people with lived experience assist in understanding community needs, program overlap and gaps in services.

4. RECOMMEND

Recommendations are passed on to United Way's Community Impact Steering Committee which analyzes the proposals while considering how best to meet the needs in the community.

5. APPROVE

Final recommendations are brought forward to United Way's Board of Directors for approval.

6. ACCOUNTABILITY

Funding is granted on a one, two, or three year basis. Programs are reviewed annually. Our process includes an analysis of program outcomes, financial reporting and site visits.
